

www.savechaucerfields.com

What are your views on the University of Kent's proposals to build a hotel, conference centre and seven blocks of accommodation for 800 students on Chaucer Fields - an amenity green space?

Is the proposed development going to enhance and improve the area north of Canterbury?
Or should the development be sited elsewhere on the University's estate?

Please visit:

www.savechaucerfields.com

to find out more about the site and the proposals, and learn about how your views can be made known.

Black area: Chaucer Fields proposed development
Red/grey area: Residential areas that would be directly affected by the proposal
Patterned area: Proposed Innovation Park.
White lines: Pedestrian paths
