# Join the 'Save Chaucer Fields' campaign

Chaucer Fields/University slopes is an area of high landscape value

Show your support and attend our event at  
St Stephen's Village Hall, Hales Drive CT2 7AD  
On Saturday 9th April 2011 1pm – 4.30pm

Come and see the plans of the proposed development which is too big, too costly and too damaging to the local environment. It will see a development of a site of more than: **8** football pitches and include **7 FOUR** storey accommodation blocks for **800** students. A **FIVE** storey hotel (that is taller than the Westgate Towers!) next to a conference centre.

*Help us oppose this massive development before it's too late*

**EVERYONE IS WELCOME**
